Grade Band	Kindergarten	Grade 1	Grades 2-3	Grades 4-5	Grades 6-8	Grades 9-12
Estimated testing time for all four domains (minutes)	40-60	40-60	60-90	60-100	80-140	80-150
Estimated testing time per domain (minutes)	10-15	10-15	15-23	15-25	20-35	20-38
Estimated time for instructions	<p>These approximate times are for student work time only. Test administrators should allow an additional 15-20 minutes for preparation, such as handing out testing tickets, setting up headphones, logging in students, reading directions and other testing activities.</p> <p>Student testing time can be affected by several factors, including familiarity with the online testing environment or English proficiency level.</p> <p>Time for instructions may vary by domain and grade level. Test administrators can plan 5 minutes for instructions at the beginning of each domain test.</p>					
Student Practice Tests	<p>The Department recommends allowing students as much time for practice as necessary for the student to become familiar with the technology skills they will need for the assessment. Some students may need more time or multiple opportunities to practice. The Student Practice Test is available on the portal.</p>
