22+ Program

Program Overview
The 22+ Program provides job training and a new pathway for adults, ages 22 or older, to earn a high school diploma AND industry credentials aligned to one of Ohio’s in-demand jobs.

What makes this program different from a traditional high school setting is the delivery of instruction to adults. Instead of measuring academic achievement through clock hours, seat time, or credits earned, the focus is on a competency-based approach that provides a self-paced option. Once competencies have been learned, adults then demonstrate mastery of skill. Each eligible adult works with the provider to create a customized Student Success Plan.

Eligibility
Adults must meet the following criteria to participate in the 22+ Program:
• Be at least 22 years of age;
• Have not received a valid high school diploma or a general educational development (GED) certificate; and
• Be a resident of Ohio.

In order to prove that a Participant is eligible, the following must be provided:
• Birth Certificate or ID
• High school transcript
• Proof of residence in Ohio

Guidance
• Providers shall develop an individual Student Success Plan with each adult learner.
• Adult learners are required to successfully complete a Student Success Plan to earn a high school diploma
• Providers are required to give career counseling to adult learners.
• A high school diploma is awarded to an adult learner who satisfies the required WorkKeys scores, satisfactorily passes the career training program and earns the in-demand industry credential(s) for the program.

The guidance information included in this manual provides a step-by-step process for creating an OH|ID account and other participant responsibilities associated with the ADP program.
IMPORTANT INFORMATION

1. The adult student MUST have an OH|ID account* BEFORE providers can begin a student application**.

   *This means the adult student must create AND confirm the OH|ID account via email.

   **It is the provider’s responsibility to complete and submit the student application.

2. It is important that ALL information for the student application is entered accurately before submitting, including the student’s career training program.

   To ensure accurate reimbursements to providers, student program changes should take place BEFORE invoicing begins. Career counseling at the very beginning is extremely important.
1.0 Creating an OH|ID Account

Step 12. Enter the email verification code along with the last 4 digits of your SSN. Click continue.

Step 13. A screen should appear that is similar to the one below. Your account is now pending approval by the Department. Once approved, you will have access to the Department application.
3.0 Accepting the Student Application

Completing the Student Application is the Provider's responsibility. Providers may enroll Participants into the system once the application window is open and the Department approves the provider to award the Adult Diploma Program. The Participant **MUST** create and confirm their OH|ID account **BEFORE** providers can begin this process.

Step 1. Log in to your safe account and locate the Adult Learner link at the bottom of the Account page.

Step 2. On the Adult Dashboard, locate the Task List. Click the Proceed button.

Step 3. The Application will open. Locate the Status/Flags tab and click Accepted.
4.0 Submission Process
After the provider submits the Student application, the Department office will review the application. After the review is complete, the Department office will move the application to Awarded. The Department office will contact the provider via email or phone in the event something in the application is missing or needs corrected.

The Participant must log in and Accept. Once the Participant accepts, the Finance Details button appears. See the Invoicing Manual for detailed invoicing instructions.

5.0 Participant Graduation
After the final invoice is accepted, the Department will move the Student application to Requirements Passed. The print function for the high school diploma is now active. The provider accesses the Diploma from the Graduation Requirements Tab in the Student’s application.
The Participant’s graduation date is the date that the Department changes the status to Requirements Passed.
