### Testing
- Students must meet the graduation requirements from the time of entry in ninth grade (earn required number of credits; pass proficiency/Ohio Graduation Tests, unless exempted from testing)

### Application/Enrollment Requirements
- No minimum number of high school credits required to enroll; however, students have two consecutive years to earn credits needed based on their ninth grade cohort

### Duration
- Maximum of two consecutive years to complete the program

### Additional Requirements
- No additional requirements to pursue postsecondary education
